Ivor Searle expands LCV manual gearbox range

New additions include specific gearboxes for models fitted with and without cruise control

Remanufacturer, Ivor Searle has expanded its all-makes range of gearboxes for and light commercial vehicles.

Costing up to 40 per cent less than OE, the latest additions to the Ivor Searle LCV manual transmission line-up includes applications for 2.0L and 2.3L versions of the popular Renault Trafic II and Master, the Vauxhall Vivaro and Movano, and the Nissan NV400.

For peace of mind, all Ivor Searle gearboxes are covered by a 12-month unlimited mileage parts and labour warranty.

In addition, Ivor Searle holds comprehensive stocks to ensure first class customer service and minimum vehicle downtime and provides free next day UK mainland delivery for stock items ordered before 3.30pm.
