

DPF cleaning with Ivor Searle

© January 25, 2018 by Auto Repair Focus

Ivor Searle, the UK' remanufacturer of automotive products, has launched a professional Diesel Particulate Filter (DPF) cleaning service for cars and light commercial vehicles. The new service expands Ivor Searle's existing portfolio of remanufactured engines, cylinder heads, gearboxes and turbochargers, and aims to provide customers with a single source of supply for high quality automotive products.

Utilising *Flash Cleaning* technology, the environmentally-friendly water-based process delivers ,as new' levels of cleanliness by removing all soot deposits, including PM10 particles, cerium oxide deposits and oil residues, from the DPF.

Ivor Searle's fast turnaround professional DPF cleaning service offers independent workshops a low -cost alternative to component replacement. In addition, all professionally cleaned DPFs are provided with a detailed inspection report and are covered by a no-quibble 12-month unlimited mileage warranty.

To find out more about Ivor Searle's professional DPF cleaning service please visit www.ivorsearle.co.uk or call the Ivor Searle sales team on 01353 720531.
