Remanufactured engines added to Ivor Searle range

Audi and Land Rover engines now available at up to 40 per cent less than buying new OE unit

Available for up to 40 per cent less than buying a new OE supplied unit, remanufacturer Ivor Searle is now offering a range of Audi and Range Rover/Land Rover reman engines.

All remanufactured engines built by Ivor Searle have a unique serial number, which provides an audit trail for all components that have been renewed, as well the remanufacturing completion date and test records.

New range additions

- Audi A4 2.0 TFSI (all codes) 2008> 2.0
- Audi A5 2.0 TFSI (all codes) 2008> 2.0
- Audi Q5 2.0 TFSI (all codes) 2008> 2.0
- Range Rover Sport 3.0 TDV6 2010-2013 3.0
- Land Rover Discovery 4 3.0 TDV6 2010-2016 3.0

Every remanufactured engine conforms to BSI AU 257:2002, the British Standard Automobile Series Code of Practice that applies to the remanufacturing of internal combustion engines.

Ivor Searle offers next day delivery on all stocked items, backed by a 12-month unlimited mileage, parts and labour warranty.
